## **AlabamaMedMarch and Doctors4PatientCare To Rally In Favor Of Responsible Alternatives To ObamaCare!**

\* Will cost taxpayers trillions of dollars, according to the Congressional Budget Office, more than the total annual taxes now collected by the IRS.

\* Will ration healthcare, with long waiting periods and government bureaucrats deciding who's worth enough to society to get needed treatment.

• Will tax employer-provided health care insurance and force private insurers out of business, denying you freedom of choice.

\* Will cover all legally allowable procedures, forcing taxpayers to pay for late-term abortions and sex-change operations.
